

## IYC Yacht Club Members!

The Snowbirds, Canada's aerobatics flight demonstration team, will take to the skies above White Rock skies on August 16 for White Rock's Canada 150 celebrations. The performance is scheduled to begin at approximately 5:30 PM.

Let's get the boats together in Semiahmoo Bay to show our support and enjoy the show!

Plan to leave Blaine Marina at 4:00 PM and set your radios to channel 72.

After the event, you are welcome to join the group at a local Blaine restaurant for dinner. If you are planning to come to dinner, please let us know by Aug 14 so dinner reservations can be made.

Enjoy your summer!
